Include in your equipment brief

- Court layout, member schedule and connection drawings
- Glass sizes, holes, fixing kit and packing sequence
- Turf product, colour, roll layout, joins and infill scope
- Lighting model, positions, electrical supply and pole arrangement

Your selected configuration is supplied with coordinated drawings, quantities and an itemized equipment schedule.

Drawings coordinate actual quantities, site supports, local loading, drainage and electrical interfaces. Our factory provides installation guidance, replacement-part identification and a five-year product quality warranty under the published terms.
